TVI Corporation Receives More Than \$2 Million in Contracts from U.S. and Canadian Military for Temporary Facilities

Company to Supply Mobile Temporary Facilities to Fort Stewart, Georgia and Fort Bliss, Texas

GLENN DALE, MD – February 13, 2007 – TVI Corporation (NASDAQ: TVIN), a global supplier of first receiver and first responder products and provider of event shelter and equipment rentals, today announced its Signature Special Event Services (“Signature”) subsidiary has received contracts, valued at more than \$2 million, to supply temporary facilities at Fort Stewart, Georgia, and Fort Bliss, Texas, to support onsite training exercises for the United States and Canadian Armed Forces.

Under a \$1.7 million contract, Signature will supply the U.S. Military at Fort Stewart, Georgia, with 221,000 square feet of temporary mobile facilities for use as sleeping quarters, dining areas and latrines. The facilities also will include a wide range of generators, HVAC and additional support equipment that Signature will maintain on a round-the-clock basis during training exercises. Signature has already initiated site preparation work and begun facility installation, which the company expects to fully complete in one week’s time.

The Signature temporary facilities will be part of the 4th Brigade Vanguard Focus, which is a preparatory training exercise for National Training Center (NTC) rotation. This is a critical exercise because it provides soldiers with training prior to their National Training Center rotation and deployment to Iraq.

Signature also will accommodate the Canadian Mechanized Brigade Group at Dona Anna Base Camp in Fort Bliss, Texas, with temporary tenting facilities. Under the contract, worth more than \$300,000, Signature will provide lighting, electrical and HVAC equipment, sleeping quarters and mobile kitchens.

“We are proud that Signature’s mobile temporary facilities have been selected to play such an important role in the training of the U.S. and Canadian militaries,” said TVI

Corporation's President and Chief Executive Officer, Richard V. Priddy. "Signature's temporary housing facilities and broad range of equipment are ideal for military operations such as the training exercises at Fort Stewart and Fort Bliss. Signature's expanding relationships within the military ideally complement the portfolio of products that TVI currently supplies to several branches of the armed forces. We anticipate that contracts with the military will continue to be a growing contributor to TVI's revenue in the years ahead."

About TVI Corporation

TVI Corporation, located in Glenn Dale, Maryland, is a global supplier of first receiver and first responder products. These products include shelters, personal protection equipment and other products for homeland security, hospitals, the military, police and fire departments, and public health agencies.
